ABOUT US:

Leader Communications Incorporated (LCI) is a Service-Disabled Veteran-Owned Small Business (SDVOSB), committed to providing the highest level of professional services and cost-effective solutions for today's challenging requirements. Since the company's inception in 1999, LCI has been providing acquisition and cradle-to-grave life-cycle support to United States Air Force (USAF) and Department of Defense (DoD) programs including: administrative support, program management, scheduler support, configuration management support, data management support, financial management/comptroller support, engineering support, studies and analysis support, logistics/acquisition support, and Government Furnished Property (GFP) support. LCI brings proven experience serving customers across the United States, and providing support to a number of international sites as well. We bring a strong customer focus, a clear commitment to quality, and an exceptional team of professionals, resulting in an impressive list of past performance.
